

Editorial for Spring Edition of the SOCIETAS ET IURISPRUDENTIA 2014

Dear readers and friends,

let me introduce the first issue of the second volume of **SOCIETAS ET IURISPRUDENTIA**, an international scientific online journal for the study of legal issues in the interdisciplinary context.

The journal **SOCIETAS ET IURISPRUDENTIA** is issued under the auspices of the Faculty of Law of the Trnava University in Trnava, Slovakia, and it thematically focuses on social relevant interdisciplinary relations on the issues of public law and private law at the national, transnational and international levels, represented first of all by following branches of law – legal history, theory of law, roman law, canon law, constitutional law, human rights & fundamental freedoms, international law, European law, civil law, economic law & trade law, labour law, social security law, administrative law, environmental law, financial law, intellectual property law, criminal law and criminology, connected to the key areas of social science disciplines in the broadest understanding, those represent above all international relations, public policy, public administration, psychology, sociology, demography, management and marketing, international economic relations, world economy, transnational economies and national economies.

The journal is issued in an electronic on-line version four times a year, regularly on March 31st, June 30th, September 30th and December 31st, and it offers a platform for publication of contributions in the form of separate papers and scientific studies as well as scientific studies in cycles, essays on current social topics or events, reviews on publications related to the main orientation of the journal and also information or reports connected with the inherent mission of the journal. At the end of every entire volume the journal's editorial office releases in electronic on-line version in the English language prepared abstract proceedings **SOCIETAS ET IURISPRUDENTIA: ABSTRACT PROCEEDINGS** summarizing the all individual contributions published in the journal **SOCIETAS ET IURISPRUDENTIA** in the corresponding volume.

The journal accepts and publishes exclusively only original, hitherto unpublished contributions in the Slovak language, Czech language, English language, German language, Russian language, French language, Spanish language, Polish language, Serbian language, Slovenian language,

Japanese language, Persian language Dari and by mutual agreement in relation to current possibilities of the editorial office also in other world languages.

The website of the journal **SOCIETAS ET IURISPRUDENTIA** offers the reading public information in the common graphical user interface as well as in the blind-friendly interface designed for visually handicapped readers, both parallel in the Slovak, English as well as German languages. In all those languages the journal's editorial office provides also feedback communication through its own e-mail address. At the same time the website of the journal offers readers due to the use of dynamic responsive web design accession and browsing by using any equipment that allows transmission of information via the global Internet network.

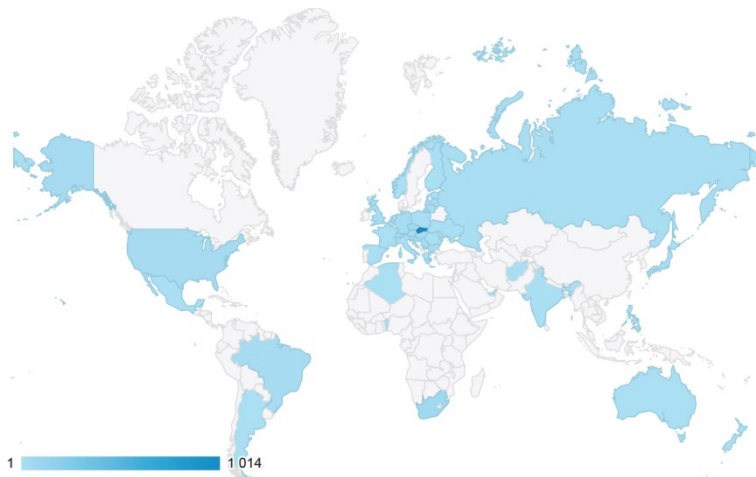

The current, first issue of the second volume of the journal **SOCIETAS ET IURISPRUDENTIA** offers a total of ten separate scientific papers in four languages – in the English, Spanish, Czech and Slovak languages. The first study presents readers the Polish police, its mission and tasks in the role of the agent for the protection of human rights in Poland. The following study entitled “Prolegomena in the Canon Law – the Charismas and Their Institutionalization in the Early Church” analyzes key questions of the Canon law. Also the third study analyzes and clarifies historical context, this time from the view of kinship and family law applied in the Aztec urban state of Tenochtitlan in prehispanic Mexico. The next study systematically and in detail explains the questions of current and anticipated future possibilities to identify individuals based on the DNA analysis in favour of forensic genetics. The fifth study is devoted to a comprehensive analysis of the questions of the procedural aspects of liability for nuclear damage, particularly in terms of its current international provisions. The following study offers readers clarifying the issue of the right to privacy of employees from the view of the legal practice of courts in the Slovak Republic and the Czech Republic. The seventh study presents and analyzes in detail the legal context of abortion and infanticide in the modern Hungarian criminal law. The following scientific paper comprehensively explains, analyzes and evaluates the functions of the personnel marketing in the perception of business managements in the Slovak Republic. In order the penultimate scientific paper defines and on the example of the construction sector explains the questions of work injuries in small and medium-sized enterprises in the Slovak Republic, and the final scientific paper clarifies, analyzes and illustrates the term and definition of the disparity focused personnel audit.

In relation to the release of the first number of the second issue of the journal **SOCIETAS ET IURISPRUDENTIA** we are pleased to inform all its readers, contributors as well as fans that the journal has been successfully registered in the international database IndexCopernicus International and applied for registration in other international databases. At the same time we would like to inform that till the date of the new issue, the journal's websites had recorded a total of 44 countries of visits (in alphabetical order):
